

# Ecologists and Fauna Services

**FOR BOOKINGS PLEASE CONTACT OUR ENVIRONMENTAL CONSULTANT COORDINATOR ON 0494094080**

- **Please ensure you book in advance to ensure we can allocate our team to your project.**
- **Bookings for site attendance must be received and confirmed no later than 4pm on the day prior to clearing and are subject to our capacity to provide appropriately qualified personnel.**
- **Office hours run from 8.30am until 4.00pm.**

Please note:

- Travel to the site is charged at an hourly rate as part of the fauna spotters site attendance.
- The client is responsible for organising site access and for providing accurate drawings/plans.
- A minimum call-out-charge of 4 hours applies for any site visit requested.
- Work classified as nightworks (1800 – 0600hrs) or carried out on weekends will be billed at x1.5 the usual rate.
- Any additional services outside the scope of works outlined above will be invoiced as an additional cost, including project management, administration, mobilisation, and site inductions.
- We can provide services to cover any additional works at an hourly rate or under a separate quote.
- General environmental services will be billed at applicable rates.
